The Welfairy

If someone you know is having a rough time, send one of us an email and the welfairy will leave a little something in their pigeon hole.

What We Do

The Girton MCR Welfare team is here to support you through your time as a graduate in Cambridge. As well as providing tea and cake and organising a Christmas party, we are here to listen to you should you need someone with whom to talk. We offer a completely anonymous service to everyone in the MCR so please don't hesitate to email any one of us should you wish. No issue is too big or small.
